

2008 Quilt Congress Challenge Quilt

Theme: **Quilters On Fire**

Do you have a favorite quilting technique that you just can't put down long enough to fix dinner? Do you wake up in the morning and have to skip your shower because you can't wait to work on your latest quilting project? Have you ever been to a class and then could hardly drive to the quilt shop fast enough to get started on a new project? Of course you have!! We want to know what really sets you "on fire", what (or who) inspires you to complete your quilting projects.

The theme is broad, allowing each quilter to interpret what it means to them. You may use (or adapt) a commercial pattern or make your own original design. The quilt can be pieced, hand- or machine-appliquéd, foundation-pieced, English paper-pieced, hand- or machine-embroidered, stained glass, one block or many, whole cloth, beaded, embellished – and everything in between. Let your imagination be your guide!!

The quilts will be judged by Mary Ellen Hopkins for **Best Use of Theme**, with first-place, second-place and third-place awards. Attendees at the Congress will vote for the selection of **Viewers' Choice** award. Great prizes will be awarded, so you won't want to miss this opportunity!

Just a few guidelines:

- > One category for all – beginners to experienced.
- > Quilt perimeter cannot be greater than 120 inches.
- > Quilt can be round, square, triangle, rectangle or any other shape, but the perimeter must not exceed 120 inches.
- > Owner's name must be indicated on back of quilt.
- > All quilts must be picked up at the Congress and cannot be mailed back. If you are unable to attend, please arrange to have your quilt picked up by someone.
